Butter Krust Bread are  
what make strong bodies and  
nimble young brains. Re-  
member that bread is your  
children's principal food—and,  
therefore, that it is important  
what kind of bread they eat.

Remember that it should be  
severely clean—absolutely pure  
in materials—and so thorough-  
ly cooked that it will make no  
demands on young digestions.

## PICK NO HEADQUARTERS

Locomotive Firemen and En-  
ginemen Put Off Selection  
Until Tomorrow.

Whether Washington or some other city  
will be made the permanent headquarters  
of the Brotherhood of Locomotive Fire-  
men and Enginemen with its 30,000 mem-  
bers will not be decided until tomorrow.

The question was to have been settled  
at this morning's session of the second  
annual convention at the Arcade building,  
but the delegates decided to put it over  
until 10 o'clock tomorrow morning.

Advocates of establishing the head-  
quarters in Washington went to the con-  
vention this morning primed to make a  
determined effort for victory. They took  
the stand that Washington is the logical  
place for the headquarters. That there  
is to be strong opposition, however, was  
indicated by the attitude of a number of  
the delegates.

The Chamber of Commerce is making  
a strong bid to have the headquarters  
located in Washington, and has dissemi-  
nated much information on the question  
among the delegates.

A number of the leading delegates to  
the convention are in favor of selecting  
Washington, if any change from the  
present arrangement of having tempo-  
rary headquarters in Peoria, Ill., is  
made. There is some disposition, how-  
ever, to put off establishing permanent  
headquarters.

Instead of considering the head-  
quarters question this morning the delegates  
took up consideration of disability  
claims. W. C. Jones, general exam-  
iner, was making reports during most  
of the morning.

The session of the convention this  
morning was short, and no session is  
being held this afternoon. Instead, the  
delegates are taking an outing at Tol-  
chester Beach, on Chesapeake bay. They  
left early this afternoon on a special  
train over the Baltimore and Ohio rail-  
road.

MUST ANSWER CHARGES.

Frank W. Adams Accused of So-

liciting Money on False Pretenses.

Frank W. Adams, forty-three years old,  
residing at 1254 Girard street northeast,  
was arrested this morning by Detective  
Wise of the fifth precinct on suspicion  
that he had solicited funds from residents  
of Southeast Washington by falsely rep-  
resenting that he had been authorized to  
collect money for widows of policemen  
and firemen.

Saturday, it is charged, Adams called  
at Danah's saloon, 1308 C street south-  
east, and told the proprietor that he was  
returning to the premises occupied by the  
wife and a fee to her counsel. Adams was  
also identified as having called at Broderick's  
saloon, 1300 D street southeast, Saturday  
and solicited a contribution.

Adams, who says he is an agent, is held  
for further investigation. It was re-  
ported to the police last week that a man  
giving his name as Wilson had been col-  
lecting small sums of money for various  
purposes and the persons who contributed  
will be asked to look at Adams.

GETS \$40,000 LOAN.

Perry Belmont Mortgages Furniture

in New Hampshire Avenue Home.

Perry Belmont of New York and  
Washington has placed a chattel deed  
of trust for \$40,000 on the furniture  
and equipment of his handsome resi-  
dence at 1818 New Hampshire avenue.  
The loan was made by Abner C. P.  
Shoemaker through the office of his  
father, Louis P. Shoemaker, who is  
Mr. Belmont's local realty broker.

Eight notes were given by Mr. Bel-  
mont, payable in six months, with in-  
terest at 6 per cent.

The chattels were conveyed to Louis  
P. Shoemaker and Rudolph H. Yeat-  
man, as trustees, pending the repay-  
ment of the loan.

According to Attorney Wilton J.  
Lambert, who prepared the chattel  
trust, as Mr. Belmont's counsel, the  
transaction was an ordinary one. Mr.  
Belmont was merely anticipating reve-  
nues from his estate due in the fall  
and desired immediate use of the money.

6 last. The government was willing to  
accept the plea of manslaughter.  
Adams was remanded for sentence. At-  
torneys J. C. Foster and J. W. Nichol  
represented the prisoner.
